Buena Vida™

Rehabilitation
& Nursing Center

About us

Located in East Williamsburg, with breathtaking views of the New York City skyline, Buena Vida is a beautiful healthcare center providing comprehensive care for short term rehabilitation as well as a comfortable long term living environment.

At Buena Vida, recovery is within reach, achieved through our warm approach towards our patients' individual needs. Our high standards of treatment and outstanding customer service ensure a wonderful stay at Buena Vida.

We value the relationship we share with our patients and their families and are passionate about working together to provide the highest level of care and support.

Specialized Care

Sub-Acute Rehabilitation

Whether you're recovering from a major surgery, an accident, or an extended illness, our team is here to provide you with the outstanding medically complex care that you deserve.

Excellence in Recovery

There's a reason why physicians and healthcare professionals throughout the New York area continuously recommend Buena Vida's innovative rehabilitation program. From the moment you enter our doors, you're one step closer to returning to the life you love.

Ensuring patients can get the best treatment is key for their recovery. That's why we incorporate top rehabilitation technology and solutions as part of our program. Our highly skilled team, along with our high-tech advanced technology, allows us to create effective treatment plans to help patients heal, reduce pain, and make a quicker, more complete recovery.
